

## ***'Succeeding Against the Odds'***

*Keynote: Sue Mordecai, Specialist Adviser, Education of the More Able*

**Thursday 11th February 2016**

**A one day seminar for secondary school colleagues**

**focusing on how schools use Pupil Premium, support and motivate learners to develop potential**

### **Benefits of attending**

- Learn from schools that have been creative in using their Pupil Premium funding to improve and develop provision and challenge for learners
- Gain strategies for the classroom to challenge and stretch pupils
- Understand Ofsted's latest expectations of provision and progress for the more able and how to meet them

### **Workshops will include:**

- Challenge in the everyday classroom
- 'A rising tide lifts all ships' — how focusing on the more able improves outcomes for all
- Responding to Ofsted's focus on the more able

*hosted at*

*South Downs College*

### **Who should attend?**

**Teachers/Lecturers  
Headteachers  
Deputy Headteachers  
Asst. Headteachers  
Heads of Department**
