

National Association for Able Children in Education

## 'Finding the Fascinations of MAT Learners'

# A one day conference focusing on MAT provision in the Foundation Phase

Friday 24 October 2014 hosted at Fairfield Primary School, Penarth, Cardiff

**Keynote:** A solid foundation for future learning: books, puppets, numbers and fun! With Estyn inspections highlighting that Foundation Phase enhanced provision is not challenging enough, this day will focus on key issues including numeracy, literacy and MAT learners in the Foundation Phase.

Book now to avoid disappointment
